THE RATIONALE

of giving **OPTIONS** to do it

either as an **ACTIVITY** or **ORGANISATION**

There may be places where everything will be okay, except one or two major problems evading solutions affecting everyone e.g. water shortage, thefts, pollutions, mosquito etc.

The **PROBLEM-SOLVING-EXERCISE** need not wait for the residents coming together to start their **RESIDENTS WELFARE ExNoRa** (or **RWA ExNoRa**) or **ExNoRa INNOVATORS CLUB** . It is enough, if they create the particular specialist **ExNoRa** , a **Satellite Organisation (SO)** to solve only that problem. We gift you nearly 140 categories of SOs providing down to earth solutions. You are free to make your choice and select one or more that are appropriate that you need badly

MUSTQUITO ExNoRa - SERVICE BEARERS

There are many organisations to do many great things. But nothing can be more important than organisations that promote noblest causes like saving Human Lives and taking care of their
HEALTH

Satellite Organization

Hence **MUSTQUITO ExNoRa** assumes all importance. It needs a team of **SERVICE BEARERS** (not office-bearers). Hardly will be there anyone who will say "**NO**" to take a simple responsibility in their own interest and that of their family.

Before

The name was GODOWN STREET . We cannot help but say it is "GO DOWN **STREET**"

We went to **GODOWN** street the wholesale Textile market of Chennai with 3000 shops. We cannot help but tell them, it is not **GODOWN STREET** & it is

GO DOWN STREET.

Our PUN with words motivated them. They made it clean & we went and exclaimed "WOW it is not

GO DOWN street but **GOD OWN STREET**"

Long Live English

I ♥ English

After

Calling their "GODOWN" STREET as "GO DOWN" STREET motivated them & they made their road as "GOD OWN" STREET.
