“G” for Gandhi, the Father of the NATION, India got FREEDOM for the Country from the British. He was Kind to others & Firm to himself in doing sathyagraha, fasting & going to JAIL.

“P” for Patel, the Iron Man of India united about 395 kingdoms & SAMASTHANAS Toughness like Steel & Stiffness / Hardiness all for a NOBLE CAUSE.

Be a SITUATIONAL LEADER

If you have to be successful in life, be both Gandhi and Patel according to the situation. Be soft like cotton and strong like iron according to circumstances. You will be stunned with your success.

You can be both Gandhi & Patel on the same day with the same person.
You can excel more than Gandhi & Patel. How?

But the paradox was that Gandhi was never Patel and Patel was never Gandhi. You can emulate both & reach top. Add GPian (Rotarian) like before or after your name like GPian Mohan or Mohan GPian. The letters G & P in caps and ian in small letters in your Business Card.

People will understand and respect YOU more than what they will normally do.
If Gandhi compares with the characteristics of a MOM (Maa), Patel compares with the characteristics of POP (Paa).

It is great coincidence that their names are also Maa & Paa respectively i.e. Mahatma & Patel.
GPian © is a leadership characteristic, a combination of Gandhi and Patel.

Though any individual can be permitted to use GPian as a suffix to their name, it is not allowed keeping in mind of the possible misuse.

Add GPian after your name like your degree which will explain your new personality with ExNoRa’s permission

Yes, from this moment you are a Gandhi and will pursue issues with KINDNESS and do sacrifices & when it doesn’t work, you are a Patel and will take up issues with FIRMNESS like steel with a never say die & never give up attitudes. And you are a GPian i.e. you will pursue with KINDNESS like GANDHI & when it doesn’t work, you will become TOUGH like PATEL. NO ONE CAN STOP YOU. Best wishes “GPian” Use it for only GOOD COMMON CAUSES
WHY the name VASTRA?

Gandhi never inflicted any harm to even those whom he should show his OPPOSITION.
He went on fasting, imposing a punishment on himself, instead of hurting the opponent.
He showered love even on his opponents. Giving VASTRA here means clothing someone who needs it.
In short showing LOVE to everyone.
You can use these with those who don’t cooperate including fellow-residents & elected representatives all coming under the head “Worship Relationship”

THERE ARE 60 TOTALLY
WHY the name VASTRA?

VASTRA means DRESS to cover and give you protection.

Qualities that made Gandhi a good leader included his charisma, deliberateness, patience and commitment to non-violence. Gandhi was critical of the injustice of the caste system, and he worked to eliminate the concept of the "untouchable" caste. He promoted non-violent measures, such as fasting, as a tool for civil disobedience to affect political change. Although Gandhi never used the phrase "human rights," he was a champion of Indian rights and social justice, and he inspired leaders such as Martin Luther King, Jr. and Nelson Mandela. Gandhi was considered to be such a great leader that he is frequently referred to as Mahatma, a word that means "great soul."

THERE ARE 60 TOTALLY
WHY THE NAME Astra?

Astra means weapon. Weapons here do not mean arsenal. It is non-violent weapon.

Patel was called an iron man. His Astras were control, decisiveness, determination, grit, hardness, inflexibility, insistence, persistence, resolve, steadfastness, stubbornness, and willpower.

There are 60 totally.

His fighting method was "fight smarter & not harder."

Leadership Qualities of Sardar Vallabhbhai Patel From Linkedin

Thanks to LinkedIn
Vallabhbhai Patel was born on 31st October 1875 at Nadia in Gujarat, popularly known as a “IRON MAN” of India. He was one of the most influential freedom fighter and social leader of India during Indian freedom movement.

He is always appreciated for accomplishing the integration of princely states of India. In India and across the world, he is known as Sardar Vallabhbhai Patel, where Sardar stands for Chief in many languages of India.
Born and raised in the countryside of Gujarat, Vallabhbhai Patel was a self-educated, forceful and successful Gujarati lawyer, when he was inspired by the work and philosophy of Mahatma Gandhi.

Patel organized the peasants of Kheda and Bardoli in Gujarat in non-violent mass civil disobedience against the oppressive tax policies imposed by the British Raj - becoming the one of the most influential leader in Gujarat.
He rose to the national leadership of the Indian National Congress and at the forefront of rebellions and political events - organizing the party forelections in 1934 and 1937, and helping lead Indians into the ‘Quit India Movement’.

Patel was known amongst nationalists as "Gandhi'slieutenant," and he enjoyed considerable support and respect in the Congress for his decisive and straightforward leadership.
INTEGRATION OF INDIA BY SARDAR PATEL

- Becoming the first Home Minister and Deputy Prime Minister of India, Patel organized relief and rehabilitation efforts in the riot-struck Punjab and Delhi, and leading efforts to restore peace and security. Patel took charge of the task to forge a united India from a plethora of semi-independent princely states, colonial provinces and possessions.

- Patel employed an *iron fist in a velvet glove* diplomacy; frank political negotiations backed with the option (and the use) of military action to weld a nation that could emancipate its people without the prospect of divisions or civil conflict.
His leadership obtained the peaceful and swift integration of all 565 princely states into the Republic of India. Patel's initiatives spread democracy extensively across India, and re-organized the states to help transform India into a modern federal republic. His admirers call him the Iron Man of India.

Patel was the chairman of the committees responsible for minorities, tribal and excluded areas, fundamental rights and provincial constitutions.

He worked closely with Muslim leaders toned separate electorates and the more potent demand for reservation of seats for minorities.
He was also instrumental in the founding the Indian Administrative Service and the Indian Police Service, and for his defense of Indian civil servants from political attack, he is known as the "patron saint" of India's services.

When a delegation of Gujarati farmers came to him citing their inability to send their milk production to the markets without being fleeced by middlemen.

Patel exhorted them to organize the processing and sale of milk by themselves, and guided them to create the Kaira District Co-operative Milk Producers' Union Limited, which preceded the Amul milk products brand.
We have been always influenced by following leadership skill of Sardar Vallabhbhai Patel

**Tenacity** :- one the most inspiring strong point of Sardar Patel was his firmness to the goal decided to achieve. His tenacity was indeed incomparable

**Invincibility** :- After getting freedom, when whole world was thinking that India would be divided in thousands of parts, Sardar Patel was the person who proved them wrong and integrate India
Ability of strong and fast decision making skill:
Before freedom or after freedom Sardar Patel was always known for his decision-making.

Influence & team building: one of the most important characteristics of any leader is his influencing ability. Sardar Patel was full of this skill. For example, organized farmers of Kheda and Bardoli of Gujarat to hold mass non-violent civil disobedience first time in India. At that point farmers were not united and was determined to do violent movement against Britishers.
Conflict resolution: Sardar Patel was also having great conflict resolution skill. There are so many examples in his life for it, but the way he consolidated Indian Princely States that is really incomparable.

Flexibility according to situation: Sardar Patel’s most inspiring characteristic was adaptability with any kind of situation. When he was moving from one village to another to unite the India, he faced many hurdles, he went to jail many times.
Never ending Winning Spirit :- I have read a book about Sardar Patel’s life, written by Rajmohan Gandhi, I was motivated by his never ending spirit, dedication to work, loyalty to country, always adapting with group and maintaining balance in group (specially in context of Jawaharlal Nehru) there are so many incidents during his childhood about how he used to go school, his tolerance power etc. which really motivated us.
