CASE STUDY

ASK means, it is not asking with arrogance

It may be communicating with utmost politeness.

It is an accepted truth that you can not antagonise some one and then get things done by them

Twenty years ago, **ExNoRa** top team was seated before the then Commissioner, Corporation of Chennai who while reading a letter from a CITIZEN (?) of Chennai, he got infuriated . When we asked him the reason, he gave the letter to us. It was somewhat like this . Quote **“ Dear Commissioner, what are you doing ? Since India’s Independence our street lights don’t burn”** unquote. The writer has grossly exaggerated the problem in showing his problem and was totally arrogant and impolite .

CASE STUDY Continued :This incident gave a spark to ExNoRa. ExNoRa sent a circular to our Street ExNoRa Chapters, how a complaint should be represented. Our advice-letter draft Quote

“ Dear Commissioner, Chennai city is glowing thanks to street lights. When we see the lights, we always remember you. We thank you for that. By the by a couple lights in our street are not burning . It is our mistake that we did not take up with your esteemed ESTABLISHMSNT”.

When the tone of letters got changed, also the service of that department.

Mr Iraianbu IAS , Secretary , to Government of Tamil Nadu has written about this in one of his famous books.

Ponder

“The miseries that we see around us are not due to the **VIOLENCE** of the BAD , but **SILENCE** of the GOOD”

Those who are GOOD can come out of their PASSIVENESS and start becoming PROACTIVE. They must **THINK** , **ARTICULATE** & **ACT**, of course collectively and embark on a path already shown by Mahatma Gandhi. ExNoRa will guide them to do it . Residents Welfare ExNoRa is meant only for that. Ponder & ACT

There's one way to find out if a man is honest - ask him. If he says, "Yes," you know he is a crook. Groucho Marx

Now one more change as after all, our six friends must be uniform at least with regard to their first letter, “W”. Then it will be easy for you to remember. Please from today say **W**oh & explain . People will start saying it . Then it will find its place in **DICTIONARY** . (Interesting. The sound of **W**oh is almost is like How?)
