# IT OPPORTUNITY

# Social Media

IT is an opportunity to spread all your Earth Saving & Humanity Serving Activities via **SOCIAL MEDIA**

There are so many **ExNoRa** ACTIVITIES and so many **GROUPS**. You can open as many **FB Groups / Pages** so that like minded persons can join

Director e WORLD

We live now in the  
ELECTRONIC AGE.

This advantage should be  
made full use of.

We can do the activities  
paperless and realise  
zero-paper organisation

Director e WORLD

By making use of the e world, you can  
"SERVE SMARTER and NOT HARDER".

You can do ARM CHAIR SERVICE.

Sitting on your chair you can spread the  
message to hundreds in a split of a second

# How to spread awareness via e world ?

Apart from formal & informal training via the internet will be used i.e. Social Media, Website, Blogs, e mail, e mail groups, etc.

The target groups for propagation will be Residential Colonies, Flat Complexes, Schools, Colleges, Offices, Industries & Slums

# WIN KEY for WIN

## What the 'Win' Key Does - Shortcuts!

You might think that the little windows or 'win' key on your keyboard only has one function - to bring up the start menu - but it in fact can be used in conjunction with other keys for a vast number of simple shortcuts.

These 'win' key shortcuts will save you those precious minutes and help you perform tasks you never knew you could with your PC.
