What , how & where to begin ?

Activity will include the street and the locality of the temple .

10 stake holders.

Companion clubs

Which Temple you GO? Ask him to start or at least Initiate. They will make their area too a model

What , how & where to begin ?

The one small but important tool that those who want to volunteer should do is to get / buy one pen-drive and copy this presentation and keep making this presentation anywhere and everywhere

What , how & where to begin ?

The first and the best place is making / keep making this PPT Presentation in the TEMPLE itself. The place and the audience (devotees) are readily available. This will help you to have members and a team.
