PH: 9840034900, 9841688255

P3 M3 ExNoRa

The two options of initiating the organisation

1. P3 M3 ExNoRa can be started anywhere as a Satellite Organisation of ExNoRa International in the place of residence, educational institution, place of work, if there is no RWA ExNoRa in that Street or Residential Colony / Area / Block / Avenue

2. If already there is a RWA ExNoRa in the Street or Residential Colony / Area / Block / Avenue, P3 M3 ExNoRa can be started as a subsidiary Organisation of that RWA ExNoRa. Somehow the goal of preventing plastic pollution has to be prevented.

P3 M3 ExNoRa

**will be generally part of
RWA ExNoRa**

& will it be Subsidiary Organisation.

**Director Environment of RWA ExNoRa will
have under the classification of Pollution
Prevention will have one member as**

Activity In-Charge

**P3 M3 ExNoRa can also be started as a Satellite Organisation if there is
need subject to the condition that the members of P3 M3 ExNoRa adhere to
the mantra of ExNoRa**

“Think Globally , Act Locally & Do Domestically”

**Can you make one
manhole like what you
saw in Japan ?**

Thank you!
