# How to get a building ?

**Taking a premises on rent**

**A philanthropist offering his place**

**Buying a place by raising funds**

**Government place e.g. Corporation School premises can be go for a nominal rent**

**Asking a Corporate to offer their place**

**Requesting an educational institution to spare space**

**Buying by bank loan t be availed be individuals**

## How to pay rent ?

Such great activities take place . People are there , needs to serve are there , activities are there , guidance is there. Only a premises is needed which is a must. It is not at all difficult, if people decide & act.

Out of subscription

Only by people of the Club area donating their old newspaper ( if they give their paper & plastic waste , the premises can be more spacious)

Just Re 1/ - per resident

If people of the area , even students pay Re 1/- per person , the rent can be paid.

The premises is fundamental & once it is done, rest will be history.

**The premises is fundamental & once it is done, rest will be history.**

**In-Absentia Members : Any ExNoRa Innovators Club can get in touch with their former citizens, now Non-residents in India or abroad & make them in-absentia members & ask them to give ideas & suggestions for making their former area just like the country they are presently living**

.

# Companion Club

**This is an extension of the category called in-absentia members. Even if there are five non-residents of a town in India now living in the same place within the Nation or city / foreign nation , they can form “ExNoRa Innovators Companion Club”. This will be like a mirror club or sister club. The only objective of the companion club to support the Club in their home place by ideas , money , etc.**

**Days of Importance for you to observe / celebrate on behalf ExNoRa along with your members without fail. It is a great opportunity to create awareness among members & general public. This is besides the days of National Importance like Independence Day & Republic Day**

**What are the DAYS of such importance ?**

Social Architect Have one – money from CSR – very important you need one
