TEMPLE OUTREACH PROGRAMMES

Many religions Places of Worship have Outreach Programme. (e.g. Churches) . But Temples don't have planned outreach service activities or it is not done in Temple's name. There is a Void. Temple ExNoRas will fill up the void. E.g. Kapaleeshwarar Temple ExNoRa Outreach Programme, Sri Ranganatha Swamy Temple ExNoRa Outreach Programme, rtc Today people's sufferings are multiplying.

The worst victims are the poor.

There are many religions who go to poor and serve them there.

It is called OUTREACH PROGRAMME. E.g. CHURCH OUTREACH

People gather in Temples to offer their worship.

Rich and poor come.

The DEVOTEES can give their little TIME, TALENT, and THINGS to the POOR.

There is space. Devotees are potential.

Needless to say, “Service to POOR is SERVICE to GOD.”

ANBE SIVAM

DO and see the difference instead of complaining other religions are serving poor and converting them into their beliefs.
