ASK

You did not make use of the six friends , 6 “W”s who are

What?

Who?

Whom?

When?

Where?

Woh?
(HoW?)

Don't worry about the spelling of the name of the 6th friend WOH? WOH is the word HOW reversed. The great language English will accept the change. It became a world language by keep on accepting changes & new words. Now one more change as after all, our six friends must be uniform at least with regard to their first letter, “W”. Then it will be easy for you to remember.
