Temples Culture & Heritage Centre

Temples promoted culture and became responsible for human civilization.

Temples stood as monuments representing great heritage

Temples served as a great Auto-Physical Fitness Centre

Walking around the Temple became a good physical exercise. Rough granite stones made the path around the temple. People who walked received acupressure.

Same thing is in respect of Anga pradhashanam.

Temples served as a great Natural Gym / Fitness Centre

The temple was a natural Gym. People lifted the IDOL to take it on processions.

Pulled Chariot together

They performed Thopukarnams, sashtanga namaskaram, bowing, etc.

Temples Dhyan & Meditation Centres
