ExNoRa Hotel / Restaurant Hygiene Award Committee

ExNoRa is for cleanliness. There is no need for emphasizing the need for cleanliness particularly in places like hotels. The health of the people is dependent on the hygiene in hotels where they eat. **ExNoRa Innovators' Club** in each town can form a committee who can award grades to hotels taking into account of cleanliness, hygiene and sanitation.

There can be separate **grades** for,

1. Cleanliness of kitchen, wash place, bath room and toilets.
2. Cleanliness outside the hotel particularly the space in front of the hotel/ restaurant
3. Quality of water and raw materials (vegetables, meat and groceries).
4. Washing of utensils including plates and cups and the cleaning of dinning tables.
5. The hotel cooks / bearers / employees' personal hygiene (covered hair, cut nails, shaven face, clean uniform etc).

There are five broad norms as mentioned above.

Compliance of each norm will fetch one **grade**. However, there can be sub-norms under each of the five norms. A fraction of the grade can be allotted to each sub-norm and the sum total of all the fractions will be final total of grades obtained.

ExNoRa Hotel / Restaurant Hygiene Award Committee

The “Judges” nominated by ExNoRa can visit hotels and evaluate on the basis of above norms and mark grades (from grade 1 to grade 5). The grades obtained (such as Grade 1, Grade 2, etc) will be notified by ExNoRa Innovators’ Club to the respective hotel. The grades obtained by the hotels have to be kept confidential by ExNoRa.

ExNoRa Hotel / Restaurant Hygiene Award Committee

In the notification to the awardee hotels, it has to be mentioned that the hotels are free to display in the hotel hall and outside, the grades awarded to them by ExNoRa . They are also free to advertise their achievement in obtaining the grades. They can also be permitted to include and publicize their accomplishment in all their regular news paper / Radio / TV advertisement.

ExNoRa Hotel / Restaurant Hygiene Award Committee

The evaluation will be in the form of a certificate with the name of **ExNoRa Hotel Hygiene Award Committee** on the top and signature of the judges in the bottom. The certificate painted attractively on wooden board can be displayed outside the hotel (at the entrance) and inside the hotel it can be a laminated one. The certificate should specify the period. (eg. For 1996 or two years 1996 & 1997). With the consent of the hotel concerned, the grades of those who have given consent, can be made public, including publication in the news papers as press release by ExNoRa. The above details can find place in the covering letter to the certificate sent by ExNoRa to the hotels.

ExNoRa Hotel / Restaurant Hygiene Award Committee

Over a period of time all hotels will be motivated to obtain maximum grades from **ExNoRa Hotel Hygiene Award Committee**, as the same will serve as goodwill and good publicity which in turn will only increase the business of hotels who have obtained maximum grades, simultaneously serving the requirements and expectations of the customers.
