ExNoRa Seva Centre will also have an **Community Alarm**. It will be a siren on a high mast to raise alarm in case of an impending disaster. It is needed in every neighbourhood to alert the people before & during disasters which will save precious lives. It will be installed in the premises of **ExNoRa Seva Center** of **ExNoRa Innovators Club**. See picture. In addition **ExNoRa Seva Centre** will install **Community Network Alarm System** with the cooperation of residents and the houses will be interconnected.

Community Alert Alarm

Why ExNoRa Service Centre ?

- The world has reached a no point of return and its future hangs in balance.
- A never before situation of problems, wars, civil wars, catastrophes, disasters & new types of diseases have arisen.
- To know a sample list of problems with stunning pictures log onto www.ma4harmony.org with Climate Change occupying the top place in the list waiting to wipe out the humankind out of the planet.
- It is more than solving them now the question is, how the humanity can ADAPT (cope up / tolerate) and how it can learn Disaster Preparedness.
- The Global Problems need Local Solutions. We need to Think Globally.
- The atmosphere has no boundaries and pollution by one country affects the people of another.
- Massive Awareness has to be created and the Seva Centre must be always in a state of preparedness.
- We must know what other countries do to prevent the ruin and we must also make them know what we do.
- How this is possible?
- ExNoRa Seva Centre guides people and facilitates to Think Globally through its ExNoRa Seva Centre. The people can participate in Global discussions through www.exnora.in both learn and share. They can go to ExNoRa Seva Centre & can participate in the video conferences, Webinars and attend regular seminars as well.

Why place for ExNoRa Seva Centre of ExNoRa Innovators Club ?

- It will be a multi-purpose service center.
- The Premises will be used almost round the clock to provide space for different causes.
- If premises is made available , why it should be used for only restricted hours when there is need for services for 24 hours.
- It will be a SOS Premises . (Save our Soul). Naturally the need for its 24 hours operation .

How to get a building ?

Taking a premises on rent

A philanthropist offering his place

Buying a place by raising funds

Government place e.g. Corporation School premises can be go for a nominal rent

Asking a Corporate to offer their place

Requesting an educational institution to spare space

Buying by bank loan t be availed be individuals

How to pay rent ?

Such great activities take place . People are there , needs to serve are there , activities are there , guidance is there. Only a premises is needed which is a must. It is not at all difficult, if people decide & act.

Out of subscription

Only by people of the Club area donating their old newspaper (if they give their paper & plastic waste , the premises can be more spacious)

Just Re 1/ - per resident

If people of the area , even students pay Re 1/- per person , the rent can be paid.

The premises is fundamental & once it is done, rest will be history.

Social Architect Have one – money from CSR – very important you need one

In-Absentia Members : Any ExNoRa Innovators Club can get in touch with their former citizens, now Non-residents in India or abroad & make them in-absentia members & ask them to give ideas & suggestions for making their former area just like the country they are presently living

.

Companion Club

This is an extension of the category called in-absentia members. Even if there are five non-residents of a town in India now living in the same place within the Nation or city / foreign nation , they can form “ExNoRa Innovators Companion Club”. This will be like a mirror club or sister club. The only objective of the companion club to support the Club in their home place by ideas , money , etc.
