# The best to get money, ideas & guidance is to start

## Companion **ExNoRa** Clubs

in all other towns / cities in motherland & abroad & will be called, for Example **ExNoRa** Innovators Club , Ernakulum will have

“Companion **ExNoRa** Club”  
for Ernakulum @ Washington

“Companion **ExNoRa** Club”  
for Ernakulum @ Mumbai

**\*Star Idea for money:** **ExNoRa** Innovators Club will run **ExNoRa** Seva Center, where a number of down to earth humane community services will be rendered . Definitely monthly rent has to be paid which can be obtained from respective “Companion **ExNoRa** Club” within the Nation and abroad. A group of NRIs will happily & collectively sponsor.

The best is getting support those from the Non-residents belonging to your area / neighborhood now living in other parts of your Nation & abroad. You can certainly get the following from them

In-  
absentia  
ExNoRa  
member  
of your  
club

Ideas &  
suggestions  
Donations

- “Companion ExNoRa Club” @ (other cities within the Nation & abroad). You have to give a simple application to ExNoRa International HQ & get their approval which will be the license.
- This is to take care of laws of those nations or states
- You can guide those who are from your place but live in other places, to form “Companion ExNoRa Club” with the name of your place as suffix 1 & their place as suffix 2 @ .... (their place) . e.g. If you live in T Nagar , you can organize formation of “Companion ExNoRa Club for Ernakulum ” @ Washington (London, Dubai , Ottawa , etc.) .
- **You can be sure of getting monthly contribution & donation for development of your place. It can be even for a street , if it is big.**

## THE GENESES

- People for employment leave their place of birth which gave them everything to outstation within their nation & abroad.
- They always feel & long that their native place should become better & be one like the outstation city that they have chosen to migrate.
- Here is an excellent opportunity for them and those who have also from same place migrated to any same place outside to combine as “Companion **ExNoRa** Club” in their place of migration and make their native place the best by sending their ideas & money to the **ExNoRa** Innovators Club (Parent Club) in their Native place.
- If there is no “Companion **ExNoRa** Club” in their native place , they can first form the “Companion **ExNoRa** Club” & the so formed “Companion **ExNoRa** Club” can from outstation form **ExNoRa** innovators Club in their native place
