

The
WATER
PROJECT

BENEFITING charity: water.org

\$20 CAN GIVE ONE PERSON ACCESS TO CLEAN WATER.

more than
ONE BILLION
people in the
world do not
have access to
safe drinking
water.

that's **one** in six.

ethiopia

rwanda

on average, women and girls
in developing countries walk
3.7 miles a day, carrying over
40 pounds of water.

this week 42,000 people will die from diseases related to low quality drinking water and lack of sanitation.

90 percent of them will be children under the age of five.

kenya

80 percent of all sickness in the world is attributable to unsafe water and sanitation.

**DIRTY WATER = DIARRHEA
DYSENTERY
PARASITES
TYPHOID**

charity: water

100%

of all donations go directly to
providing clean water to people
in developing countries

charity: water provides proof of each water project with photos, videos, and GPS on Google earth

water changes everything.
